Brown County Fairgrounds, New Ulm, MN
Doors open at 8:30 a.m. • Auction begins at 9:30 a.m.

Nichole's Note:

Welcome back to yet another auction season! We have missed seeing you this past winter. You are going to enjoy this all around something for everyone sale. Many of the items that will be at this sale were still in boxes so I am not even sure what will all be there on May 5th. We have a little bit of everything to offer along with many baking items. Dan & Randeen Murphy were well known in the county. They owned a bed & breakfast for many years, and Randeen was a renowned baker in the county. She made many wedding and birthday cakes over the years. They will be selling their personal property along with other private parties. I hope you enjoy the start to what is sure to be another wonderful auction season. Service Dogs Only.

NEW PROCESS IMPLEMENTATION:

If you are one of our regular attendees, you know we begin the auction selling small items off hayracks/tables. We then designate a time where we will split the crowd, selling coins on one end, continuing with the sale of small items. Not anymore!!! When the coins are going to be sold, the auctioneer will step down from the selling of small items and begin the sale of items on the floor. The floor items will be sold until the coin sales are complete. Upon completion of coins, we will go back to one auctioneer selling small items until they are all sold. We will finish the sale by selling the remaining floor items. We hope this process is something you like. It has been suggested by numerous customers...just so know, when you talk, we listen! When the auction is completely over, let us know what you think of this new method of sales. Your opinion matters!!!
